Date & Place of Birth  
Aug 16, 1966 (Iran)

### *Associate Professor of Histology & Embryology*

#### Education:

**Fellowship** (2003-2004) in **Cell & Tissue Culture**, Samuel Lunenfeld Research Institute, Mount Sinai Hospital, University of Toronto, Canada

**Ph.D.** (1991-1995) in **Anatomical Sciences**, Medical Faculty, Isfahan University of Medical Sciences, Isfahan, Iran

**M.Sc.** (1989-1991) in **Histology**, Medical Faculty, Isfahan University of Medical Sciences, Isfahan, Iran

**B.Sc.** (1985-1989) in **Biology**, Sciences Faculty, Razi University, Kermanshah, Iran

**Educational course** in ART technique, Isfahan Fertility & Infertility Center 1997

#### **Work Experience:**

**2006-2008: Research Director of Medical Faculty**, Kermanshah UMS

**2006-present: Member of Evaluation & Examining Board, of Anatomical sciences (Histology)** Ministry of Health & Medical Education, Tehran, Iran

**2005-present: Head of Fertility and Sterility research center (RRC)**, KUMS, Iran

**2001 -2003: Associate Dean for Basic Sciences**, Medical faculty, Kermanshah University of Medical Sciences, Kermanshah, Iran

**1995-present: Faculty member**, Department of Anatomy, Medical Faculty, Kermanshah University of Medical Sciences, Kermanshah, Iran

2007 : Establishment of **Fertility and Sterility research center (RRC)** in Kermanshah UMS. Iran

2005 : Establishment of **cell and Tissue culture Lab.** in Kermanshah UMS, Iran

2004 : Establishment of **specific laboratory of histology** in Kermanshah UMS. Iran

**1997** : **Responsible** for establishment of M.Sc of Histology in Kermanshah University of Medical Sciences.

2008-present: Member of **Research committee**, Medical faculty, KUMS

2003-2004: Member of **Promotion committee** of Academic staff, Kermanshah University of Medical Sciences, Kermanshah, Iran

2003-2005: Member of **Central committee of Research in Education**, EDCE Kermanshah University of Medical Sciences, Kermanshah, Iran

## Teaching Experience

**1994-present**; Kermanshah University of Medical Sciences:

### Medical faculty:

**Medical students:** Embryology, general Histology, Cell biology & Trunk anatomy,

**M.Sc. students of Histology:** Histology, Embryology, Cell biology, Neuroanatomy, Trunk anatomy, Oral histology , Advanced Histology & Histological techniques

**M.Sc. students of Biochemistry:** Cell biology, Biochemistry of tissues

**M.Sc. students of Histology:** Histology, Embryology, Cell biology, Seminar

### Pharmacy Faculty:

Histology for Pharmacy students (M.D),

### Nursing & Midwifery faculty:

*Midwifery (B.Sc.) students:* Histology, Embryology & Biology

*Nursing (B.Sc.) students:* Anatomy

*Laboratory Sciences students:* Histology, Biology & Anatomy

**Faculty of health:** Biology and Anatomy to Health students

**1990-1994:** Isfahan University of Medical Sciences

### Medical faculty:

Histology for Medical (MD), Histology, Anatomy & Physiology (M.Sc.) students

Advanced Histology & Histological technique for Histology & Anatomy (M.Sc.) students

Histology for Physiotrapy, and Laboratory Sciences

### Dentistry Faculty:

Histology to Dentistry and Nursing Dentistry students

### Nursing & Midwifery faculty:

Histology to Midwifery (B.Sc.) and General Anatomy to Nursing (B.Sc.) students

**1990** Histology to Medical students, Azad University of Yazd.

**1999-2002;** Histology, Embryology & Neuroanatomy to Medical students

, Ilam University of Medical Sciences

**2001** Histology to Medical & Dentistry students, Ghazvin University of Medical Sciences

**2007**; Histology to Medical students, Ilam University of Medical Sciences

**Honors:**

1991: **First Rank** of M.Sc. degree in Histology. Isfahan University of Medical Sciences.

1995: **Distinguished graduate** & second rank of Ph.D degree in Anatomical Sciences  
Isfahan University of Medical Sciences

2005: **Best clinical research paper** in Canadian Fertility & Andrology Society (Abstract No  
34 in this CV)

2005: **Distinguished Researcher** in Kermanshah University of Medical Sciences.

2006: **Distinguished professor** in Kermanshah University of Medical Sciences

2006: **Distinguished Researcher** in Kermanshah University of Medical Sciences

2007: **Prize winner** in “second Yazed international student Awards in Reproductive Medicine”

2007: **Distinguished Researcher** in Kermanshah University of Medical Sciences

Membership in Organization:

The Iranian Anatomical Sciences Society (Academic member)

The Iranian Biological Society (Associate member)

Technical editor:

2000-present: Journal of Kermanshah University of medical sciences (Behbood)

2006-2007: Iranian J of reproductive medicine, Yazed University of medical sciences

2007: Pakistan Journal of Biological science

2007: Journal of Biological science

2007: International journal of Cancer Research

2007: Asian Journal of Biological science

**Thesis:**

"Study of histochemical tissues proteins staining methods ". Sep1991, M.Sc thesis, IUMS

“Histological changes in mouse uterus during preimplantation period”. Oct 1995, Ph.D thesis,  
Medical Faculty, Isfahan UMS

**Thesis Supervision: (9)**

1-“Epidemiology of registrated congenital malformations in newborn of Motazedi hospital of  
Kermanshah during 1994- 1998”, M.D Thesis, 2000, KUMS

2-“Evaluation of protective and repairing effects of Facaria Vulgaris extract on ethanol induced  
gastric ulcers in rat”. M.Sc Thesis, 2003, KUMS

3-“Comparison of three superovulation methods in mice”. M.Sc Thesis, 2003, KUMS

4-“Survey of protective and repairing effects of Facaria Vulgaris extract on aspirin-induced gastric ulcers in rat”. M.Sc Thesis, 2005, KUMS

5-Survey of Letrozol and Atorvastatin effect on three-dimensional culture of human endometrial tissue”. M.Sc. Thesis, 2007, KUMS

6-“Survey of Raloxifene and Letrozole effect on in vitro culture of human endometrial stromal cell” M.Sc Thesis, 2007, RRC, KUMS

7- “Survey of letrozol effect on three-dimensional culture of human placental vessels”. M.D Thesis, 2007, RRC, KUMS

8- Survey of fennel extract effect on mouse ovary. MD thesis. 2007, KUMS

**Consulted thesis: (4)**

1-Study of caffeine effects on femur osteogenesis of rat embryo. M.Sc Thesis, 2003, KUMS

2-Survey of ethanol effects on morphology and histology of rat testis. M.Sc Thesis, 2003, KUMS

3-Evaluation of Bisphenol A effects on Rat spermatogenesis. M.Sc Thesis, 2005, KUMS

4-Co-culture of mouse two cells embryo on human endometrial stromal cell, proliferative and secretory phases, gynecological Residency Thesis, 2006, RRC, KUMS

5-Comparison of glutathione peroxides, superoxid dismotase, catalase , Selenium and Zinc in fertile and infertile men. M.Sc Thesis, 2008, KUMS

**Projects: (6)**

**Supervised:**

1-Survey of Legalon effect on a-amaintin poisoning in rat liver”, KUMS, 2005

2-Correlation between personal and educational characteristic of medical student, 1379 entrance, with Results of 28th period of comprehensive basic science exam (Esfand 81), EDC, KUMS 2005

3-Survey of rank correlation of each lesson with total rank of Kermanshah medical faculty and their trends in comprehensive basic science exams, 20-31 periods, EDC, KUMS 2005

4-Survey of personal and educational factors on medical academic dropout in Kermanshah medical faculty during education years 2001-2004, EDC, KUMS, 2005

5-Survey of clomiphene citrate on in vitro culture of human endometrial stromal cell. RRC, KUMS 2006

6-Atorvastatin effect on mouse sperm parameters after Cryopreservation, RRC, KUMS,2007

7-Survey of Letrozole effect on three-dimensional culture of human endometrial tissue”. Gynecological Residency Thesis, 2007, KUMS

**Coworker:**

1-Survey of Clomiphene effect on sperm parameter of male Rat. RRC, KUMS,2006

2-Survey of job satisfaction of general physician in Kermanshah university of medical sciences. RRC, KUMS, 2006
